(Hudson, Ohio, USA / July 19, 2011) – Radcom, Inc., a Northeast Ohio consulting firm that provides custom learning solutions, is hosting its first Light the Night Walk Fundraiser Cookout where all donations support their Light the Night Walk team which benefits the Leukemia & Lymphoma Society (LLS). The cookout takes place on Tuesday August 9, 2011 from 11:30 am - 1:30 pm in Radcom’s rear parking lot at 561 Boston Mills Rd, Suite# 400 in Hudson, Ohio. Lunch includes: a burger or hot dog, drink, and two side dishes. Suggested donation is \$5. Also, there will be a bake sale with homemade baked goods made by Radcom staff.

Radcom has supported the LLS through the Light the Night Walk fundraiser and several other events since 2005. Radcom founders Bob and Angie Dianetti are true supporters of the LLS as their son, Mikey, was successfully treated for Leukemia and is now in remission. “I know that Mikey is a happy and healthy boy today in large part due to the research and support provided by the Leukemia and Lymphoma Society,” said Bob Dianetti.

Radcom encourages readers to download and print a flyer and brochure for the event to post at local establishments in and around Hudson, Ohio. Links to these can be found on the homepage of
